

Australian Exchange, July– August 2014

On July 22, twenty-six students and two teachers traveled to Perth, Australia. They were on homestay/ exchanges with our 3 sister schools. They made deep friendships while learning about Australia’s culture, history, and of course, language. Twenty-two girls stayed for 3 weeks and four girls were on the 2-month program. For all students, it was a time they will happily remember forever.

First Grade Summer Camp

In late July, the First Grade students had four days of adventure and learning in the beautiful mountains of Nagano. They saw Matsumoto Castle, climbed to the top of Happo Ridge, had a fun evening around the campfire, and enjoyed various activities like art galleries and crafts.
