**Recommendations!**~ by Kaede Ochi

"The theme I chose for this article was 'music'. My favorite musical composition is from the RPGs of Sekai no Owari. This music is pleasant, and I love to hum it. My favorite music video is for 'Manaigirl' from Kyary Pamyu Pamyu. This song is the theme song for a drama, and Kyary Pamyu Pamyu is very popular, not only in Japan, but also in other countries. It is pop music that makes you want to dance! I also love to listen to music from animated movies. The songs always have a unique voice. Everyone, please listen to one of my recommendation!"
