Hi Yuka,

How are you? I'm so happy to read your message. I really want to join your birthday party on Friday, but I can't. I have dance practice every day after school. Our team will perform at a dance festival next week and we are practicing hard for it. This big event will be for two days. There will be dance groups from all over the country. Some teams will perform on the first day, Monday, but our team will perform the next day. I'm so nervous and excited at the same time!

I'm really sad that I can't come to your party, but I still want to see you. You are one of my best friends! Are you free this weekend? If you have time, let's have lunch at our favorite restaurant near the school. I'm free on Saturday and Sunday. Which is better for you? Also, I would like to get you a birthday present. Is there anything you want?

I hope we can meet soon!

Your friend,
Jenny

Hi Jenny,

Thank you for your e-mail. I'm sad you can't come to the party, but of course, I would be happy to meet you this weekend!

I can't meet you on Saturday because I have to help my mother clean the house. On Sunday, I am going to the dentist in the morning, but I'm free after that, so we can have lunch at the restaurant. Let's meet there at around 12:30. You don't have to give me a birthday present. Spending time with you is the best present I could ever have!

You must be very tired practicing for the festival. I'm sure you will give the best performance! How many teams are going? Please tell me all about it when we meet. We have so many things to talk about! I'm excited!

I am looking forward to seeing you soon!

Yuka

Maiko: I was planning to stay there for three weeks, but my mother got sick, so I could only stay for two weeks.
