Green Entrance Ceremony

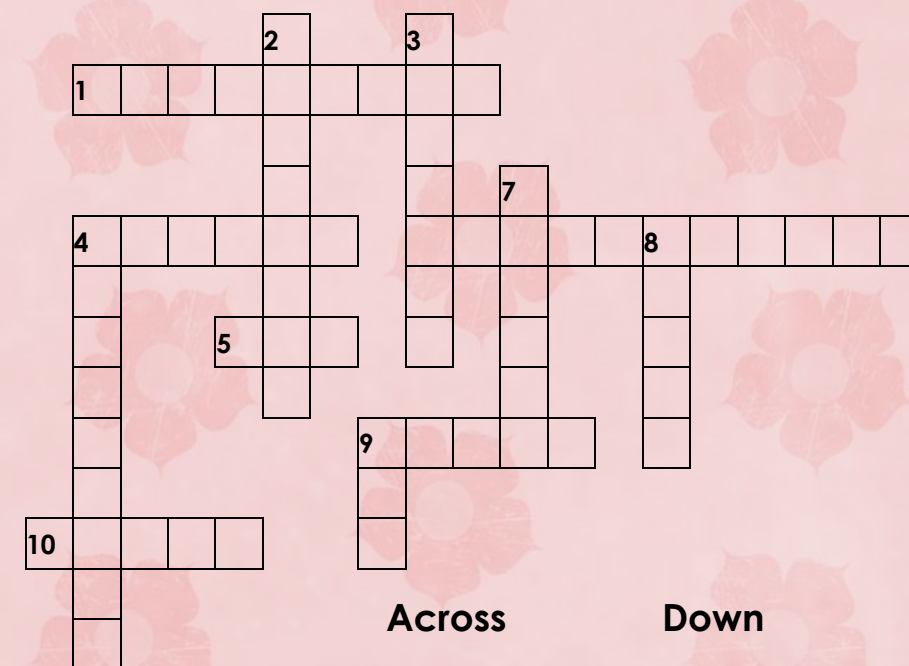

On Monday, April 8th, we had a Green Entrance ceremony. It was a sunny day. The first grade students were nervous. At the Entrance ceremony, last year's 2E students sang our school song. The 1st grade students took a picture after they went to their classrooms. New lives started.

Welcome Party

Every year, on April fifteenth, we have a school Welcome Party. Each club introduces their own club. This year we were very nervous but, every club did very well, especially the dance club, the drama club, and the brass band club. A first grader said, "All the clubs look fun." Students and teachers cooperated well together.
